2022 City of Suwanee Annual Report - The Office

City of Suwanee, GA

Judges' Comments

"This is great! Even if you're not an avid Office fan I think you would still really enjoy this. What a great way to present your annual report. This report was a gem! Fun idea, excellent graphics and so much fun all around. This is so fun! Such a clever and creative way to take something that not everyone loves to read and make it really enjoyable! Love the idea of incorporating links to videos to explain the more complex stuff too!"

2023 Annual Report
Cobb County, GA

Judges' Comments

"The flip book format is very engaging compared to a PDF. Excellent use of graphics to tell the county's story and break up the copy. Photography was well done and the designer made them even more engaging by switching up the presentation with different shapes and arrangements. The Annual Report for Cobb County effectively showcases the county's projects, successes, and endeavors in a visually appealing and engaging format. The strategic use of bright colors and vibrant local images, along with detailed information, makes the report both informative and attractive. The clear focus on increasing awareness and the innovative use of digital tools for distribution are commendable."

Sarasota County`s Year in Review

Sarasota County, FL

Judges' Comments

“The initiative undertaken by the Sarasota County calendar project is truly commendable and innovative. Transitioning from a conventional print brochure to a visually captivating and practical calendar, the project effectively leverages in-house photography and QR codes to combine traditional and digital forms of engagement. This endeavor significantly amplifies the exposure of county services and cultivates a more cohesive bond within the community.”
