2024 Savage Firefighters and Puppies Calendar

City of Savage, MN

Judges' Comments

"This is such a fun solution to the problem, great job at coming up with something new and unexpected! Who doesn't like firefighters and puppies?! What a great way to change up an already successful project. The photos were amazing, and I can't wait to see next year's calendar! The calendar has an excellent design and well-composed photos. The colors are great and the layout is very sleek."

"Just Add Water" Water Quality Calendar

City of Avondale, AZ

Judges' Comments

"The yummiest calendar I have seen yet! This submission is absolutely delightful! The

calendar of food recipes is not only beautifully designed but also inspiring. Each month features a visually stunning dish, with recipes that are both approachable and mouth watering. The combination of high-quality photos and elegant layout makes the calendar a feast for the eyes. Great job! It's a neat idea to present something that's both easy for consumers to understand and educational! I love the design of the calendar and the vibrant colors you chose. The use of QR codes for sanitation and bulk trash schedules is innovative. Excellent work!"

Judges' Comments

"Congratulations to the community and for this golden opportunity to capture a moment in history! These photos were spectacular, and the sense of place was apparent in representing that they were taken in Arlington (and not in other cities nearby). Working as a large team on an important day takes planning and the resulting images make this set of photos a standout! I would have loved to see more on how you used the

photos in various mediums. What an exciting event for your city! Beautiful photos that effectively captured the energy and made me feel like I was there."
